

# SANCAKLI FIRE TRUCKS AND SPECIAL AIMED VEHICLES

Our Company was founded in 1993 to manufacture equipment such as fire truck, garbage compactor truck, water tanker, vacuum & jetting trucks and lifting platforms and many other heavy equipments for municipalities, public and private sector. In our facility of 5.000 m<sup>2</sup>, 1.500 m<sup>2</sup> of which is open, we have the capacity to manufacture on vehicle equipment.

In line with the increasing demands, we are taking quick steps to expand our market and to brand in our current markets.

Our Company has served to Turkish Armed Forces, Province Municipalities, Town Municipalities and hundreds of public and private organizations by means of building vehicles. Vehicles have been exported to countries, Saudi Arabia, UAE, Qatar, Syria, Iraq, Nigeria, Kenya, Morocco, Sudan, Pakistan, Indonesia, Vietnam, Azerbaijan, Macedonia and Kosovo as well.

Our company manufactures its products for export with ISO9001 and CE certificate conforming to EU laws. Our Company, which ranks differently due to its post-sale services, displays its difference by means of procuring 24-hour on-site service with its mobile service team.

Our fundamental principle is to provide products and services in conformity with accepted standards for this aspect, pursue employee health and safety, increase the competence of our human resources with training activities and procure constant development and improvement of our quality management system in order to make complete, timely and quality production by following the technologies that change constantly. SANCAKLI brand is the place that meets trust and stability.
